

FOOD ALLERGY week

13-19 MAY 2018

Food allergies are becoming increasingly common and understanding them is important for everyone.

SHOW YOU CARE

On

..... / /

.....

.....

All donations will go to Allergy & Anaphylaxis Australia

BE ALLERGY AWARE

- Know what your friends and family are allergic to
- Take care when preparing food
- Know the signs and symptoms of an allergic reaction and how to respond – it could save someone's life

We also gratefully acknowledge the support of Bulla, NSW Food Authority, Dairy Food Safety Victoria, Freedom Foods, Kinnerton, Nestle, Nutricia, Orgran and Nuts for Life.
